

Certificate of factory production control

No 1596/2010

Inspecta Latvia has granted this certificate as proof that

Gas filled single cavity insulating glass units

with selective glass sealed with silicon sealant and hollow metal spacer for structural glazing according to Annex,

produced by the manufacturer

„GLASKON”, Ltd.

Pildas iela 16B, Rīga, LV-1035, Latvija; Reg. no. 40003928462

Address of manufacturer: “Glaskon” Ltd., Aviācijas iela 18, Jelgava, LV-3004, Latvija.

Certified according:

Certification scheme 2+, based on evaluation of Factory production control and surveillance, which includes evaluation of FPC and with the requirements of standards LVS EN 1279-5 „Glass in building - Insulating glass units - Part 5: Evaluation of conformity” and LVS EN 1279-6 „Glass in building - Insulating glass units - Part 6: Factory production control and periodic tests”.

Product complies with the requirements of standards:

LVS EN 1279-5+A1:2009 and LVS EN 1279-6:2004

Certificate remains valid as long as the conditions laid down in the above mentioned standard, related provisions, the manufacturing conditions in the factory and the product specification of the certified type are not modified significantly.

Issue date: 13.01.2010.
